

Dr. Christopher Khorsandi's Bio

Dr. Christopher Khorsandi, also known as DocVegas™ is a board-certified plastic surgeon offering cosmetic, plastic, and reconstructive procedures for the breast, body, face and skin. He is the Chief Plastic Surgeon for VIP Plastic Surgery, one of the most reputable plastic surgery practices in the Las Vegas, NV area. Using an artistic approach and advanced surgical skills, Dr. Khorsandi produces natural, gorgeous results for patients using proven and progressive surgical techniques. In addition, he also offers numerous nonsurgical options, including a customized approach to the liquid facelift, a procedure designed for patients who are not quite ready for surgery. Patients return to Dr. Khorsandi time and time again because of his endless compassion, dedication, and commitment to excellence.
